

## Blanco River Views

*(Wimberley, Texas)*

**Before:** A walnut tree and the river are obscured by brush.

**After:** The river and the walnut are revealed. Now, free from competition, the walnut tree can grow big and healthy!

**Before:** The cedars are unhealthy and unattractive with severe die back.

**After:** Two nice cedars were saved, the rest were mulched to create a future grassy slope and to reveal the beautiful Texas sky.
