

Restoring Shoal Creek Greenbelt

(Austin, Texas) *Property Assessment: Shoal Creek-*

2.252 Acres

- 116580.445 Total SqFt -

- 2.676 Total Acres -

75 150 300 450 600 750 900 Feet

◀ These invasive species crowd out native habitat that is beneficial to birds and wildlife.

▼ Mowing invasive brush and small trees will allow native grasses and plants to reestablish.
